

UMEÅ UNIVERSITY

THE ENVIRONMENTAL INTOLERANCE SYMPOSIUM

Advancing the multidisciplinary debate on adverse reactions to environmental stressors

The environmental intolerance research group at Umeå university warmly welcomes you to a symposium on symptom reactions to environmental exposures such as the indoor air, odors, and sounds. The symposium can be attended either on site or through zoom, and is free of charge. Attending the symposium on site requires a registration. Follow the QR-codes for registration and zoom link. Contact person: linus.andersson@umu.se

WEDNESDAY APRIL 19th, 2023

The science center Curiosum, Umeå, Sweden
